Product Overview

SVS107MS 7" TFT LCD Digital Monitor

The SVS107MS is the latest addition to the SVS range. Featuring a large 7" TFT LCD Digital screen the 107 is ideal for all applications that require a larger screen and can be dash or roof mounted depending on available space. The SVS107MS accepts up to two cameras allowing the user to monitor both the rear of the vehicle as well as the rear of a caravan or trailer. When used with an audio enabled camera this monitor also offers quality audio at an affordable price.
